SUMMARY

Hi! I'm Louis, a software developer that really likes hard problems to solve. I'm also good at communicating with technical and non technical people which I think is a huge asset in this field. With 5 years of experience on a variety of projects, I'm hoping to be a great addition to your team!

EXPERIENCE

Radio-Canada   **Senior software developer**   **Dec 2020 — Present**

- Tech stack: Winform, C#, Angular, .NET 8 ,dotnet core,HTML,Javascript, Typescript ,python, Oracle PLSQL,Git
- Lead a major rework of a WinForms application for onair live closed captioning
- Recognized as the go-to problem solver on difficult issues
- Developed and deployed many applications from scratch in C# .NET (backend) and Angular(frontend)
- Responsible for billing system for broadcast rights distribution

Bonlook   **Software developer (internship)**   **Aug 2019 — Dec 2019**

- Tech stack: PHP, Angular, Javascript,NodeJs ,Typescript, python, docker, terraform, serverless, AWS, aws lambda, Git
